

Wake BRT: Southern Corridor Kickoff Meeting

BRT is coming to our area!

Join one of our open house kickoff meetings for Wake BRT: Southern Corridor! This corridor would connect Downtown Raleigh with North South Station and Purser Drive in Garner.

These are both drop-in style public meetings, where you will learn about corridor alternatives from the Wake Transit Plan Major Investment Study and highlights from previous planning studies in the area. City of Raleigh Staff will be available to discuss options, answer questions and receive input.
