In order to successfully obtain your permit, you need to know the following:

- The cost of each permit is \$100; each person wishing to work as an itinerant merchant, peddler, solicitor, or transient vendor must have their own permit. A permit is not transferrable.
- You must also obtain a business registration; the cost of the business registration is \$10 if on foot or \$25 if from a vehicle. Your application for your permit will suffice for obtaining your business registration.

- Your application must be free of any fraud, misrepresentation, or any false statement.

CHAPTER 9

SECTION 9-40. - Itinerant merchants, peddlers, transient vendors and solicitors.

- (1) Itinerant merchant means any merchant, other than a merchant with an established retail store in the city who transports an inventory of goods to a building, vacant lot, or other locations in the city and who, at that location, displays the goods for sale and sells the goods at retail. A merchant who sells goods, other than farm products, in the city for less than six (6) consecutive months is considered an itinerant merchant unless he stopped selling goods in the city because of death or disablement, the insolvency of his business, or destruction of his inventory by fire or other catastrophe.
- (2) Peddler means any person who carries from place to place any goods, wares or merchandise, subscriptions, services and/or discount coupons (hereinafter referred to as "wares"), or without traveling from place to place, selling or offering for sale any goods from any vehicle or device, and offers to sell or barter the same or actually sells or barter the same, except such person who is a wholesale dealer selling only to merchants for resale.
- (3) Person means natural persons, corporations and all business or other entities of any kind.
- (4) Solicitor means any person traveling from place to place taking or offering to take orders for the sale of goods for future delivery or for personal services to be performed in the future, whether or not samples are displayed or money is collected in advance; and using or occupying any building or premises for the sole purpose of taking or offering to take orders for the sale of goods for future delivery or for personal services to be performed in the future, whether or not samples are displayed or money is collected in advance.
- (5) Transient vendor means any person engaging in a temporary business of selling and delivering goods, and for this purpose, using or occupying any building or premises; provided that merely associating a transient business with a permanently established business does not exclude it from this definition.
