Items should be placed at the curb up to **one week prior** to your scheduled pick-up week. Please have your items **separated** by the following categories: Yard waste, bulky waste and mattress. Each category will be picked up by a separate truck. The Town would like to encourage you to take advantage of this free Spring Clean-up. **Please call the Public Works office before your pick-up week to schedule for a mattress to be picked up.** Please note, there are a few categories that will not be picked up; commercial waste (from tree company or contractor), appliances, tires, paint or hazardous waste.
